ELIZABETH KOEHLER-PENTACOFF

The Missing Kennedy:
Rosemary Kennedy and the Secret Bonds of Four Women

When Elizabeth Koehler-Pentacoff was a child, she often visited a disabled woman being cared for by her aunt, a Franciscan nun. She slowly came to realize that the woman, Rosie, was a member of the famed Kennedy family. This book chronicles their relationship, explains the tragic

circumstances that led to Rosemary's afflictions, and how the family's concern with people like their sister led to the creation of the Special Olympics.
