Thursday
September 14 | 6:30pm
13382 S. Henderson Rd. | 864.8766

At the end of World War II, ethnic Germans in Yugoslavia were exiled, interned in concentration camps, or murdered. **Josie: A Story of Faith and Survival** is Susan Lowe's true account of this little-known series of events. It's seen through the eyes of a four-year-old German girl, fearing each day's horrors, yet confident she will survive to tell her story.
