FREE TAX FORMS NOW AVAILABLE AT LOCAL LIBRARIES

All Fresno County Public Library locations are once again providing free printed tax forms. Customers can also use Library computers to download and print forms from government websites.

“Customer service is always our top priority. In response to the public’s request to reinstate this service, the Library has worked diligently to provide tax forms again as quickly as possible,” said Laurel Prysiazny, Fresno County Librarian.

Customers are encouraged to check with their local branch to make sure the form(s) they need are in stock as forms are being received as issued from the IRS. Also, supplies are limited so people are encouraged to get their copies while supplies last.

For more information, contact your local library or go to www.fresnolibrary.org/ref/tax.html.
