Press Release

For Immediate Release
April 23, 2014

Sanger Branch Library's Meeting Room Closed for Repairs

The Sanger Branch Library meeting room will temporarily close beginning April 25 for building maintenance and will reopen April 28 once the project is completed.

Customers will still be able to use the Sanger Branch Library during this time to borrow library materials and use branch computers. It is only the meeting room that will be closed temporarily.

For more information, contact the Sanger Branch Library at 559-867-2435.
