Parlier Branch Library Closure

The Parlier Branch Library (1130 E. Parlier Ave.) will close on May 22, 2017 until further notice. The Library requires a roof replacement and is making every effort to complete the project so the Library can reopen before summer programs start.

The Library will not assess any fines or late fees on materials due in the Parlier Branch due to this closure. Materials due can be dropped off at any of the Fresno County Public Library branches. All other branches in the County of Fresno will remain open regularly during this time. The closest alternate branches are the Reedley Branch Library (1027 E St.) and the Selma Branch Library (2200 Selma St.). All holds from the Parlier Branch can be picked up at these branches during the closure. Please inform Library staff if you would prefer picking up your holds at one of these alternative locations.

For more information about this closure, Library programs, services, and specific branch hours, please go to www.fresnolibrary.org, or call the Library at (559) 600 – READ (7323).
