WHAT: Fresno County Public Library Opens Second Veterans Resource Center

WHEN: Thursday, January 19, 2017, 4 PM

WHERE: Betty Rodriguez Regional Library, 3040 N. Cedar Ave., Fresno

DETAILS: Fresno County Public Library (FCPL) is proud to announce that a second Veterans Resource Center is going to open at the Betty Rodriguez Regional Library on January 19th.

The Veterans Resource Center is a designated area inside the library that is full of resources for current and former military personnel and their family members. A specially trained volunteer will staff the area and provide information on healthcare, education, housing, counseling programs, employment and more. This location was chosen because of the close proximity to the VA Hospital.

“Our veterans sacrificed so much so we can enjoy the freedom that we have every day. This is the smallest of gestures to say, thank you for all you do,” states County Librarian, Laurel Prysiazny.
